

What's New in 2021

New Structures

- Temporary dock
 - In 2019 we added a temporary dock that will be back this year! Allowing athletes to move from one side to the other more expeditiously, especially athletes who compete in events on both the sawing/chopping dock and the boom run/logrolling dock. This temporary dock is accessed only through the athlete areas and is not available for public or spectating use.
- There are six property sponsors at LWC 2021:
 - Zielie's Tree Service—Title Sponsor
 - Carlson MD – Speed Climbing Pole
 - Enbridge – Speed Climbing Pole
 - Fiskars – Speed Climbing Pole
 - Northern Clearing – Speed Climbing Pole
 - RinkTec – Sky deck
 - Lumberjack Shop
 - The space directly beneath the new production building is the brand spanning new Lumberjack Shop where visitors can purchase souvenirs, clothing, gifts, sunscreen, sunglasses, hats, the 61th Anniversary poster and much more!

Returning All-Around and Logrolling Champions

- 2019 All-Around Lumberjack, Matt Cogar, and All-Around Lumberjill, Martha King, are competing this year.
- 2019 Men's Logrolling Champion, Anthony Polentini, and Women's Logrolling Champion, Livi Pappadopoulos, are competing this year.
- Last year, we had two big screens to allow for LWC instant replays and results. One by the chopping dock and one with a results board in the Swinging Axe Beer Tentn. Spectators can grab or enjoy a drink and not miss a minute of the competition.
- Swinging Axe Beer (a darn fine pilsner), the official beer of the LWC, is now available in cans and will be served in the Swinging Axe Beer Garden. This is a part of our ongoing LWC Festival Grounds recycling initiative.
- Livestream on ESPN3 – The July 29-31st competitions - quarterfinals, semifinals, and finals - will be broadcast live for the first time on ESPN3 by Go Live Sports Cast. Viewers can tune in using the ESPN app if they are unable to attend in person. The link to each broadcast will be available at www.LumberjackWorldChampionships.com
